– ચિત્રને અનુરૂપ પેન્સિલ કલરથી આર્કષક બનાવવું

Note If Any: –સ્વચ્છ અને સુંદર અક્ષરોમાં સંપૂર્ણ કાર્ય કરવું.

Subject: Mathematics

Addition and multiplication of rational numbers. Closure of rational numbers and commutative property of rational numbers.

Recall the marks you scored out of 100 in all academic subjects in Term-1 and Annual exam when you were in class VII.

Write the marks subject wise in form of rational numbers keeping 100 as denominator and tabulate the data in the table shown below:

Sr. No.	Subject	Term 1	Annual

Apply the operations of addition & multiplication between marks of same subject you scored in Term – 1 and Annual exam respectively.

Collection: Marks obtained in all academic subjects of Term-1 and Annual exam.

Note: (i) Simplify the rational numbers wherever you can.

(ii) Observe closure of rational numbers and commutative property of rational numbers in each operation.

Subject: Science
